Brief Description: Protecting personal information.

HB 2015-S - DIGEST

(DIGEST AS ENACTED)

Establishes procedures for protecting personal information.

Finds that the careless disposal of personal information by commercial, governmental, or other entities poses a significant threat of identity theft, thus risking a person's privacy, financial security, and other interests.

Declares that all organizations and individuals have a continuing obligation to ensure the security and confidentiality of personal information during the process of disposing of that information.
