Brief Description: Validating trusts created for the benefit of nonhuman animals.

HB 2046 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Declares that the purpose of this act is to recognize and validate certain trusts that are established for the benefit of animals. Under the common law such trusts were unenforceable at law.

Declares an intent that such trusts be recognized as valid, and that such trusts be enforceable in accordance with their terms.
