Brief Description: Creating the Washington state pension board.

HB 2083 - DIGEST

Creates the Washington state pension board, which may be known as the pension board, as an independent governing board to manage all of the public retirement systems of the state of Washington. Members shall serve in a trustee capacity and with fiduciary responsibility in administrating the assets of the public retirement systems which are declared a trust.

Repeals RCW 41.45.100, 41.45.110, and 41.45.120.
