Brief Description: Expanding sales methods for ferry tickets.

HB 2103 - DIGEST

Authorizes the department to enter into contracts with private vendors to sell ferry tickets and medium at locations other than Washington state ferry terminals or facilities. The department may enter into the contracts only:

- (1) With private vendors that are already established businesses offering goods for sale to the general public; and
- (2) If it determines that the vendor's established location has the potential to serve a significant percentage of the customers using a particular ferry route.
