Brief Description: Providing for donation and distribution of food.

**HB 2325 - DIGEST**

(SUBSTITUTED FOR - SEE 1ST SUB)

Declares that the purpose of this act is to authorize and facilitate the donation of food to needy persons in accordance with safety and health guidelines to assure that the donated food will not place needy recipients at risk and to encourage charitable organizations, businesses, and individuals to donate surplus food to charities serving our state's needy population.

Requires the state board of health to promulgate recommended health and safety guidelines for the donation, preparation, and distribution of free food for the purposes of this act.
