Brief Description: Transferring risk management functions from the department of general administration to the office of financial management.

HB 2352 - DIGEST

(DIGEST AS ENACTED)

Declares an intent that state risk management should have increased visibility at a policy level in state government. This increased visibility can best be accomplished by the transfer of the statewide risk management function from the department of general administration to the office of financial management.

Declares an intent that this transfer will result in increasing visibility for the management and funding of statewide risk, increasing executive involvement in risk management issues, and improving statewide risk management accountability.

Transfers the powers, duties, and functions of statewide risk management from the department of general administration to the office of financial management.
