Brief Description: Requiring training on diabetes for law enforcement and correctional personnel.

HB 2402 - DIGEST

Directs the criminal justice training commission to develop, in consultation with the department of health, the board on law enforcement training standards and education, and the board of correctional training standards and education, a curriculum for a general understanding of the medical and physical manifestations of diabetes and its implications for working with diabetics in the course of law enforcement and correctional settings. The curriculum shall be developed by December 1, 2002.
