Brief Description: Allowing the lottery commission to participate in a shared game lottery.

HB 2624 - DIGEST

(SEE ALSO PROPOSED 1ST SUB)

Recognizes that creating a shared game lottery could result in less revenue being raised by the existing state lottery ticket sales.

Recognizes that the two funds most impacted by this potential event are the student achievement fund and the education construction account.

Declares an intent to use some of the proceeds from the shared game lottery to make up the difference that the potential state lottery revenue loss would have on the student achievement fund and the education construction account.
