Brief Description: Exempting certain documents from public inspection and copying.

HB 2646 - DIGEST

Exempts site plans, technical information, information contained in emergency preparedness plans, including engineering diagrams and drawings, equipment operating manuals, procedures and instructions relating to the use, location, and function of equipment that is vital to the continued functioning of essential public services, and procedures and instructions relating to planned service interruptions, where there is a reasonable potential that the information would be of material aid to a person planning or intending sabotage interruption or damage to vital public services, or planning or intending to use the information in the commission of a criminal act.
