Brief Description: Allowing port employees to join more than one retirement plan subject to a labor agreement.

HB 2895 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Provides that a port employee shall be allowed to join the state employees' retirement system when membership results in coverage under both a private pension system and the state employees' retirement system, if eligibility for a supplemental pension program, deferred compensation program, or both, are part of a negotiated labor agreement.
