

5447

Sponsor(s): Senators Jacobsen and Oke; by request of Department of Natural Resources

Brief Description: Modifying the forest fire protection assessment.

SB 5447 - DIGEST

(SEE ALSO PROPOSED 2ND SUB)

Declares that it is the policy of the state that the costs of fire protection be equitably shared between the forest fire protection assessment account and the state general fund so that both forest landowners and the public contribute to the protection in an equitable manner.
