Brief Description: Regarding changes in agricultural production.

SB 5908 - DIGEST

Declares that a change in agricultural production shall not be considered change in purpose of use under this act, so long as the change does not increase the annual consumptive quantity of water use under the water right.

Authorizes a change in agricultural production to be made following consultation with the department of ecology to determine whether there will or will not be an increase in the annual consumptive quantity of water use under the water right.
