Brief Description: Providing tax relief for agricultural businesses.

**SB 6219 - DIGEST**

Provides that, in computing the tax imposed under chapter 82.04 RCW, a credit is allowed for the amount of taxes otherwise due under this chapter for businesses essential to agriculture whose business substantially involves the sale of equipment or supplies to farmers, and the business has gross income from the business or gross proceeds from sales that have decreased because of the 2001 drought by seven percent or more from the same reporting period the year before.
