Brief Description: Limiting the rule-making authority of certain entities to those instances where there is a specific grant of legislative authority.

SB 6252 - DIGEST

(AS OF SENATE 2ND READING 2/27/02)

Provides that, for rules adopted after July 1, 2002, each department or agency may only adopt rules derived from a specific grant of legislative authority. The rules must include the specific statutory section or sections from which the grant of authority is derived, and may not rely solely on a section of law stating a statute's intent or purpose or the general enabling provisions establishing each department or agency.
