Brief Description: Changing the definition of cherry harvest temporary labor camp.

**SB 6328 - DIGEST**

(DIGEST AS ENACTED)

Amends RCW 70.114A.110 to revise the definition of cherry harvest temporary labor camp.

Declares that a "cherry harvest temporary labor camp" means a place where housing and related facilities are provided to agricultural employees by agricultural employers for their use while employed for the harvest of cherries. The housing and facilities may be occupied by agricultural employees for a period not to exceed one week before the commencement through one week following the conclusion of the cherry crop harvest within the state.
