Brief Description: Specifying additional purposes for the use of revenues under the county conservation futures levy.

**SB 6331 - DIGEST**

(SEE ALSO PROPOSED 1ST SUB)

Authorizes the use of the revenues for the development, maintenance, and operation of the real property.

Provides that a county imposing the levy may use no more than twenty-five percent of these funds for development, maintenance, and operation of the real property acquired with funds received from the levy.
