Brief Description: Regulating the authority of metropolitan municipal corporations to acquire property.

SB 6366 - DIGEST

Provides that a metropolitan municipal corporation shall not condemn lands for an essential public facility, provided for in RCW 36.70A.200, at a location outside its legally established service area boundaries without a finding by the legislative authority of the city and county in which the land is located that the location of the essential public facility is consistent with that city's or county's comprehensive plan.
