Brief Description: Addressing the trafficking of persons.

SB 6407 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Declares that the purpose of this act is to provide a coordinated, humane response for victims of human trafficking through a review of existing programs and clarification of existing options for such victims.

Creates the Washington state task force against the trafficking of persons.

Directs the task force to report its findings and recommendations to the governor and legislature by November 30, 2002.
