2 By Representative Clibborn

3 On page 2, line 25, after "state." insert "Fire fighter one
4 training is a mandatory prerequisite for any individual fire
5 fighter to participate in wildland training. Fire protection
6 districts and city fire departments shall make fire fighter one
7 training the primary training responsibility for fire fighters and
8 wildland training the secondary responsibility."

EFFECT: Fire fighter one training is to be the primary use of state reimbursement funds. Fire fighters must have completed fire fighter one training before participating in wildland fire training.
