

HB 1562 - H AMD 201

By Representative Cooper

1 On page 4, line 20, after "(14)" strike everything through "(17)"
2 on line 36 and insert "Release of a certified abstract of the driving
3 record of an employee or prospective employee requires a statement
4 signed by: (a) The employee or prospective employee that authorizes
5 the release of the record, and (b) the employer attesting that the
6 information is necessary to determine whether the licensee should be
7 employed to operate a commercial vehicle or school bus upon the public
8 highways of this state. If the employer or prospective employer
9 authorizes an agent to obtain this information on their behalf, this
10 must be noted in the statement.

11 (15) Any negligent violation of this section is a gross
12 misdemeanor.

13 (16)"

EFFECT: This amendment reinstates the requirement that certified driver's record abstracts for employed or prospective transit operators may only be released if the employee/prospective employee provides a written authorization for the release, and the employer has provided a written statement attesting that the information is necessary to determine whether the driver should be employed to operate a commercial vehicle or school bus.
