

1 **HB 1981** - H AMD  
2 By Representative Dickerson

3 On page 2, line 12, after "task force shall" strike all  
4 material through "representatives of: Counties" on line 15 and  
5 insert "consult with experts who may include, but are not limited  
6 to, counties"

**EFFECT:** Changes the requirement that the task force appoint an advisory committee to require that the task force consult with experts.
