2 department adopts a management plan under section 8 of this act for
3 the aquatic lands that will be used as compensatory mitigation
4 sites or compensatory mitigation bank sites"

1 On page 3, line 25, after "processes" insert ", and the
2 department must adopt a management plan under section 8 of this act
3 for the site"

4 On page 6, after line 26, insert the following:

5 "NEW SECTION. **Sec. 8.** The department must develop a management
6 plan for each compensatory mitigation site or compensatory
7 mitigation bank site that it assumes management responsibility for
8 under this chapter. The management plan must include both details
9 as to how the necessary amount of funding for the endowment was
10 calculated under section 3 of this act, and a detailed plan for the
11 creation, enhancement, or preservation of the uplands, wetlands, or
12 other aquatic resources on the site. All management plans adopted
13 under this section must be agreed to by the department of fish and
14 wildlife, the department of ecology, and, if applicable, the city
15 or county in which the aquatic lands are located."

16 On page 8, line 22, after "through" strike "9" and insert "10"

17 Renumber the sections accordingly and correct any internal
18 references.

EFFECT: Prohibits the Department of Natural Resources from collecting money for a compensatory mitigation endowment, or assuming management responsibility of a compensatory mitigation site, until a management plan is developed and agreed to by certain state and local entities for the site in question that outlines how the necessary funding was calculated and how enhancement of the site will occur.
