By Representative Darneille

1 On page 4, beginning on line 31, after "license." strike all
2 material through "date." on line 36 and insert "~~((A license so~~
3 ~~renewed shall take effect on the expiration date of the prior~~
4 ~~license.))~~ Until renewed, an expired license is invalid, and the
5 licensee may not lawfully carry a concealed pistol. A renewed
6 license takes the expiration date of the prior license or the date
7 of renewal, whichever is later, as its effective date."

EFFECT: Replaces the provision that a licensee may lawfully carry a concealed pistol between the time the license expires and the time the licensee submits an application for renewal with a provision that a licensee may not lawfully carry a concealed weapon until the license is renewed. Changes the effective date of the renewed license to the later of the prior license's expiration date or the date of renewal.
