

**SHB 2650** - H AMD

By Representative Sump

1           On page 3, line 3, after "Washington." insert "Prior to using  
2 information collected by a qualifying nonprofit organization, the  
3 program must verify that the information was collected by  
4 individuals trained in scientific data collection, wildlife  
5 biology, or ornithology."

**EFFECT:** Requires the Department of Natural Resources' natural heritage program to verify that information used in the designation of important bird areas was collected by qualified individuals.
