1           On page 3, line 30, after "effectively." insert the following:

2           "The standards adopted by rule must be suitable to the specific  
3           environmental and operational conditions and characteristics of the  
4           facilities that are subject to the standards, and shall be  
5           consistent with, but not exceed, United States coast guard  
6           requirements applicable to the activities covered by this section."

**EFFECT:** Requires the standards adopted by the Department of Ecology to be suitable to the environmental and operational conditions of the facilities. In addition, the standards must be consistent with and may not exceed United States Coast Guard requirements.
