1   On page 5, beginning on line 1, after "<u>The</u>" strike everything

2   through "<u>new felony</u>" on line 3 and insert "<u>justice information</u>

3   <u>system shall provide prosecutors access to information on the</u>

4   <u>existence of sealed juvenile records</u>"

EFFECT: Changes the requirement that the Administrative Office of the Courts ensure the Superior Court Management Information System automatically retrieve sealed juvenile records to require the justice information system provide prosecutors with access to information on the existence of sealed juvenile records.
