By Representative McDermott

1 On page 4, line 19 of the amendment, after "only." strike
2 everything up through and including "need." on line 34 and insert
3 the following: "The distribution formula shall be based on an
4 assessment of students and on one or more family income factors
5 measuring economic need. Beginning with the 2005-06 school year,
6 fifty percent of the distribution formula shall be based on an
7 assessment of students and fifty percent shall be based on one or
8 more family income factors measuring economic need."

EFFECT: Changes the LAP distribution formula. Beginning with the 2005-06 school year, 50 percent of the formula will be based on an assessment of students and the other 50 percent on family income factors measuring economic need.
