

**SSB 6107** - H COMM AMD

By Committee on Agriculture & Natural Resources

1           On page 3, line 5, after "examinations." strike "Where disease  
2 or contamination is suspected" and insert "When the director has  
3 determined that there is probable cause that there is a serious  
4 risk from disease or contamination"

**EFFECT:** Requires the director to find probable cause that there is a serious risk from disease or contamination before the director may seize items needed to conduct tests, inspections, or examinations.
