7 the assessment and tax rolls. A copy of the notice of approval
8 together with the legal description or assessor's parcel numbers for
9 the land shall, at the expense of the applicant, be filed by the
10 assessor in the same manner as deeds are recorded.

11 (2) In preparing the assessment roll as of January 1, 2002, for

16 (3) On or before December 31, 2001, the department shall adjust by
17 rule under chapter 34.05 RCW, the forest land values contained in
18 subsection (2) of this section in accordance with this subsection, and
19 shall certify the adjusted values to the assessor who will use these
20 values in preparing the assessment roll as of January 1, 2002. For the
21 adjustment to be made on or before December 31, 2001, for use in the
22 2002 assessment year, the department shall:

23 (a) Divide the aggregate value of all timber harvested within the
24 state between July 1, 1996, and June 30, 2001, by the aggregate harvest
25 volume for the same period, as determined from the harvester excise tax
26 returns filed with the department under RCW 84.33.074; and

27 (b) Divide the aggregate value of all timber harvested within the
28 state between July 1, 1995, and June 30, 2000, by the aggregate harvest
29 volume for the same period, as determined from the harvester excise tax
30 returns filed with the department under RCW 84.33.074; and

31 (c) Adjust the forest land values contained in subsection (2) of
32 this section by a percentage equal to one-half of the percentage change
33 in the average values of harvested timber reflected by comparing the
34 resultant values calculated under (a) and (b) of this subsection.

35 (4) For the adjustments to be made on or before December 31, 2002,
36 and each succeeding year thereafter, the same procedure described in
37 subsection (3) of this section shall be followed using harvester excise
38 tax returns filed under RCW 84.33.074. However, this adjustment shall

1 be made to the prior year's adjusted value, and the five-year periods
2 for calculating average harvested timber values shall be successively
3 one year more recent.

4 (5) Land graded, assessed, and valued as forest land shall continue
5 to be so graded, assessed, and valued until removal of designation by
6 the assessor upon the occurrence of any of the following:

7 (a) Receipt of notice from the owner to remove the designation;

8 (b) Sale or transfer to an ownership making the land exempt from ad
9 valorem taxation;

10 (c) Sale or transfer of all or a portion of the land to a new
11 owner, unless the new owner has signed a notice of forest land
12 designation continuance, except transfer to an owner who is an heir or
13 devisee of a deceased owner, shall not, by itself, result in removal of
14 designation. The signed notice of continuance shall be attached to the
15 real estate excise tax affidavit provided for in RCW 82.45.150. The
16 notice of continuance shall be on a form prepared by the department.
17 If the notice of continuance is not signed by the new owner and
18 attached to the real estate excise tax affidavit, all compensating
19 taxes calculated under subsection (11) of this section shall become due
20 and payable by the seller or transferor at time of sale. The auditor
21 shall not accept an instrument of conveyance regarding designated
22 forest land for filing or recording unless the new owner has signed the
23 notice of continuance or the compensating tax has been paid, as
24 evidenced by the real estate excise tax stamp affixed thereto by the
25 treasurer. The seller, transferor, or new owner may appeal the new
26 assessed valuation calculated under subsection (11) of this section to
27 the county board of equalization in accordance with the provisions of
28 RCW 84.40.038. Jurisdiction is hereby conferred on the county board of
29 equalization to hear these appeals;

30 (d) Determination by the assessor, after giving the owner written
31 notice and an opportunity to be heard, that:

32 (i) The land is no longer primarily devoted to and used for growing
33 and harvesting timber. However, land shall not be removed from
34 designation if a governmental agency, organization, or other recipient
35 identified in subsection (13) or (14) of this section as exempt from
36 the payment of compensating tax has manifested its intent in writing or
37 by other official action to acquire a property interest in the
38 designated forest land by means of a transaction that qualifies for an
39 exemption under subsection (13) or (14) of this section. The

1 governmental agency, organization, or recipient shall annually provide
2 the assessor of the county in which the land is located reasonable
3 evidence in writing of the intent to acquire the designated land as
4 long as the intent continues or within sixty days of a request by the
5 assessor. The assessor may not request this evidence more than once in
6 a calendar year;

7 (ii) The owner has failed to comply with a final administrative or
8 judicial order with respect to a violation of the restocking, forest
9 management, fire protection, insect and disease control, and forest
10 debris provisions of Title 76 RCW or any applicable rules under Title
11 76 RCW; or

12 (iii) Restocking has not occurred to the extent or within the time
13 specified in the application for designation of such land.

14 (6) Land shall not be removed from designation if there is a
15 governmental restriction that prohibits, in whole or in part, the owner
16 from harvesting timber from the owner's designated forest land. If
17 only a portion of the parcel is impacted by governmental restrictions
18 of this nature, the restrictions cannot be used as a basis to remove
19 the remainder of the forest land from designation under this chapter.

20 For the purposes of this section, "governmental restrictions" includes:
21 (a) Any law, regulation, rule, ordinance, program, or other action
22 adopted or taken by a federal, state, county, city, or other
23 governmental entity; or (b) the land's zoning or its presence within an
24 urban growth area designated under RCW 36.70A.110.

25 (7) The assessor shall have the option of requiring an owner of
26 forest land to file a timber management plan with the assessor upon the
27 occurrence of one of the following:

28 (a) An application for designation as forest land is submitted; or

29 (b) Designated forest land is sold or transferred and a notice of
30 continuance, described in subsection (5)(c) of this section, is signed.

31 (8) If land is removed from designation because of any of the
32 circumstances listed in subsection (5)(a) through (c) of this section,
33 the removal shall apply only to the land affected. If land is removed
34 from designation because of subsection (5)(d) of this section, the
35 removal shall apply only to the actual area of land that is no longer
36 primarily devoted to the growing and harvesting of timber, without
37 regard to any other land that may have been included in the application
38 and approved for designation, as long as the remaining designated

1 forest land meets the definition of forest land contained in RCW
2 84.33.035.

3 (9) Within thirty days after the removal of designation as forest
4 land, the assessor shall notify the owner in writing, setting forth the
5 reasons for the removal. The seller, transferor, or owner may appeal
6 the removal to the county board of equalization in accordance with the
7 provisions of RCW 84.40.038.

8 (10) Unless the removal is reversed on appeal a copy of the notice
9 of removal with a notation of the action, if any, upon appeal, together
10 with the legal description or assessor's parcel numbers for the land
11 removed from designation shall, at the expense of the applicant, be
12 filed by the assessor in the same manner as deeds are recorded and a
13 notation of removal from designation shall immediately be made upon the
14 assessment and tax rolls. The assessor shall revalue the land to be
15 removed with reference to its true and fair value as of January 1st of
16 the year of removal from designation. Both the assessed value before
17 and after the removal of designation shall be listed. Taxes based on
18 the value of the land as forest land shall be assessed and payable up
19 until the date of removal and taxes based on the true and fair value of
20 the land shall be assessed and payable from the date of removal from
21 designation.

22 (11) Except as provided in subsection (5)(c), (13), or (14) of this
23 section, a compensating tax shall be imposed on land removed from
24 designation as forest land. The compensating tax shall be due and
25 payable to the treasurer thirty days after the owner is notified of the
26 amount of this tax. As soon as possible after the land is removed from
27 designation, the assessor shall compute the amount of compensating tax
28 and mail a notice to the owner of the amount of compensating tax owed
29 and the date on which payment of this tax is due. The amount of
30 compensating tax shall be equal to the difference between the amount of
31 tax last levied on the land as designated forest land and an amount
32 equal to the new assessed value of the land multiplied by the dollar
33 rate of the last levy extended against the land, multiplied by a
34 number, in no event greater than nine, equal to the number of years for
35 which the land was designated as forest land, plus compensating taxes
36 on the land at forest land values up until the date of removal and the
37 prorated taxes on the land at true and fair value from the date of
38 removal to the end of the current tax year.

1 (12) Compensating tax, together with applicable interest thereon,
2 shall become a lien on the land which shall attach at the time the land
3 is removed from designation as forest land and shall have priority to
4 and shall be fully paid and satisfied before any recognizance,
5 mortgage, judgment, debt, obligation, or responsibility to or with
6 which the land may become charged or liable. The lien may be
7 foreclosed upon expiration of the same period after delinquency and in
8 the same manner provided by law for foreclosure of liens for delinquent
9 real property taxes as provided in RCW 84.64.050. Any compensating tax
10 unpaid on its due date shall thereupon become delinquent. From the
11 date of delinquency until paid, interest shall be charged at the same
12 rate applied by law to delinquent ad valorem property taxes.

13 (13) The compensating tax specified in subsection (11) of this
14 section shall not be imposed if the removal of designation under
15 subsection (5) of this section resulted solely from:

16 (a) Transfer to a government entity in exchange for other forest
17 land located within the state of Washington;

18 (b) A taking through the exercise of the power of eminent domain,
19 or sale or transfer to an entity having the power of eminent domain in
20 anticipation of the exercise of such power;

21 (c) A donation of fee title, development rights, or the right to
22 harvest timber, to a government agency or organization qualified under
23 RCW 84.34.210 and 64.04.130 for the purposes enumerated in those
24 sections, or the sale or transfer of fee title to a governmental entity
25 or a nonprofit nature conservancy corporation, as defined in RCW
26 64.04.130, exclusively for the protection and conservation of lands
27 recommended for state natural area preserve purposes by the natural
28 heritage council and natural heritage plan as defined in chapter 79.70
29 RCW or approved for state natural resources conservation area purposes
30 as defined in chapter 79.71 RCW. At such time as the land is not used
31 for the purposes enumerated, the compensating tax specified in
32 subsection (11) of this section shall be imposed upon the current
33 owner;

34 (d) The sale or transfer of fee title to the parks and recreation
35 commission for park and recreation purposes;

36 (e) Official action by an agency of the state of Washington or by
37 the county or city within which the land is located that disallows the
38 present use of the land;

1 (f) The creation, sale, or transfer of forestry riparian easements
2 under RCW 76.13.120;

3 (g) The creation, sale, or transfer of a fee interest or a
4 conservation easement for the riparian open space program under RCW
5 76.09.040;

6 (h) The sale or transfer of land within two years after the death
7 of the owner of at least a fifty percent interest in the land if the
8 land has been assessed and valued as classified forest land, designated
9 as forest land under this chapter, or classified under chapter 84.34
10 RCW continuously since 1993. The date of death shown on a death
11 certificate is the date used for the purposes of this subsection
12 (13)(h); or

13 (i) The sale or transfer of land after the death of the owner of at
14 least a fifty percent interest in the land if the land has been
15 assessed and valued as classified forest land, designated as forest
16 land under this chapter, or classified under chapter 84.34 RCW
17 continuously since 1993 and the sale or transfer takes place after July
18 22, 2001, and on or before July 22, 2003, and the death of the owner
19 occurred after January 1, 1991. The date of death shown on a death
20 certificate is the date used for the purposes of this subsection
21 (13)(i).

22 (14) In a county with a population of more than one million
23 inhabitants, the compensating tax specified in subsection (11) of this
24 section shall not be imposed if the removal of designation as forest
25 land under subsection (5) of this section resulted solely from:

26 (a) An action described in subsection (13) of this section; or

27 (b) A transfer of a property interest to a government entity, or to
28 a nonprofit historic preservation corporation or nonprofit nature
29 conservancy corporation, as defined in RCW 64.04.130, to protect or
30 enhance public resources, or to preserve, maintain, improve, restore,
31 limit the future use of, or otherwise to conserve for public use or
32 enjoyment, the property interest being transferred. At such time as
33 the property interest is not used for the purposes enumerated, the
34 compensating tax shall be imposed upon the current owner.

35 **Sec. 9.** RCW 77.12.203 and 1990 1st ex.s. c 15 s 11 are each
36 amended to read as follows:

37 (1) Notwithstanding RCW 84.36.010 or other statutes to the
38 contrary, the director shall pay by April 30th of each year on game

1 lands in each county, if requested by an election under RCW 77.12.201,
2 an amount in lieu of real property taxes equal to that amount paid on
3 similar parcels of open space land taxable under chapter 84.34 RCW or
4 the greater of seventy cents per acre per year or the amount paid in
5 1984 plus an additional amount for control of noxious weeds equal to
6 that which would be paid if such lands were privately owned. This
7 amount shall not be assessed or paid on department buildings,
8 structures, facilities, game farms, fish hatcheries, tidelands, or
9 public fishing areas of less than one hundred acres.

10 (2) "Game lands," as used in this section and RCW 77.12.201, means
11 those tracts one hundred acres or larger owned in fee by the department
12 and used for wildlife habitat and public recreational purposes. All
13 lands purchased for wildlife habitat, public access or recreation
14 purposes with federal funds in the Snake River drainage basin shall be
15 considered game lands regardless of acreage.

16 (3) This section shall not apply to lands transferred after April
17 23, 1990, to the department from other state agencies.

18 (4) The county shall distribute the amount received under this
19 section in lieu of real property taxes to all property taxing districts
20 except the state in appropriate tax code areas the same way it would
21 distribute local property taxes from private property. The county
22 shall distribute the amount received under this section for weed
23 control to the appropriate weed district.

24 NEW SECTION. Sec. 10. This act takes effect July 1, 2005."
