1 On page 6, after line 12, insert the following:

2 "NEW SECTION. Sec. 1. (1) The legislature recognizes that the  
3 creation of any license plate which may affect the treatment received  
4 by citizens of this state by law enforcement should be studied before  
5 being implemented. Special license plates will likely cost an extra  
6 thirty to forty dollars per year which may be an amount that many  
7 citizens of this state cannot afford to pay. If the display of a  
8 professional firefighter license plates would result in more favorable  
9 treatment from law enforcement personnel, persons who could not afford  
10 to pay the extra amount every year would be placed at an unfair  
11 disadvantage.

12 (2) The legislative transportation committee shall conduct the research  
13 necessary to report to the legislature on the possible effects that the  
14 display of certain types of special license plates would have on the  
15 treatment received by law enforcement officers. The report shall be  
16 submitted to the transportation committees of the legislature by  
17 December 1, 2004."
