1 On page 2, line 9, strike "Improve the quality and productivity of
2 the state's workforce;" and insert "Improve the quality and
3 productivity of, and respect for, the state's workforce, including
4 consideration of competitive compensation, realistic workloads, and
5 recruitment and retention;"

--- END ---

EFFECT: Modifies one of the ten priorities of government to reflect the objective of providing competitive salaries and realistic workloads for the state's workforce, and improving employee recruitment and retention.
