Background:

The Department of Licensing (DOL) may provide certified abstracts of driving records

covering three years or less to prospective or current insurance companies upon request. The fee for each abstract is \$5. Insurance companies or their agents may use the driving record exclusively for its own motor vehicle or life insurance underwriting purposes and may not divulge any of the information to a third party.

Summary of Substitute Bill:

The director of the DOL is authorized to enter into a contractual agreement with an insurance company or its agent for the purpose of reviewing the driving records of existing policy holder for changes occurring to the record during a specified period of time. The fee for this service must be set at a level that will not result in a net loss to the state.

Appropriation: None.

Fiscal Note: Available.

Effective Date: The bill takes effect 90 days after adjournment of session in which bill is passed.

Testimony For: The DOL has expressed a concern that they do not currently have the statutory authority to charge this fee. This bill will help us become more efficient and accurate in our underwriting functions. It should result in increased connection between driving safety and equitable rates. Other states allow for this service and no other state has experienced a revenue loss because of this type of monitoring.

Testimony Against: None.

Persons Testifying: Representative Hudgins, prime sponsor; Mike Woodin, Mike Woodin Construction; and John Chatelaine, Explore Information Services.

(Questions only) Vickie McDougall, Department of Licensing.

Persons Signed In To Testify But Not Testifying: None.
