Brief Summary of Bill

- Requests that disabled retired veterans receive retirement pay as well as disability compensation.

HOUSE COMMITTEE ON STATE GOVERNMENT

Majority Report: Do pass. Signed by 9 members: Representatives Haigh, Chair; Miloscia, Vice Chair; Armstrong, Ranking Minority Member; Shabro, Assistant Ranking Minority Member; Hunt, McDermott, Nixon, Tom and Wallace.

Staff: Marsha Reilly (786-7135).

Background:

"Concurrent receipt" refers to the dual receipt of military retirement pay and disability compensation from the Department of Veterans Affairs. A disabled military retiree must offset dollar for dollar from their retired pay, the amount they are receiving in disability compensation.

In January 2002 Congress passed legislation that would allow disabled military retirees to

collect both their earned pensions and disability compensation from the Department of Veterans Affairs. However, funding was not provided to implement the program.

There are currently two bills in Congress addressing concurrent receipt. The House bill authorizes concurrent receipt for those military retirees identified as 60 to 100 percent disabled. Payments would be phased in over a five-year period until the retirement pension is paid in full each month. The Senate bill would authorize concurrent receipt for all retired disabled veterans, regardless of any percentage of disability, with no phase in.

Summary of Bill:

A request is made to the President of the United States, the Secretary of the United States Department of Veterans Affairs, the Secretary of the United States Department of Defense, and to Congress to fund the enacted law to furnish all disabled retired veterans their full retirement pay and disability compensation.

Appropriation: None.

Fiscal Note: Not Requested.

Testimony For: The bill is supported by the Joint Committee for Veterans' and Military Affairs. There are many disabled veterans in the state who are eligible to receive both retirement pay and disability pay. No law can be passed in this state to help. It is only something that can be requested of Congress and the President of the United States.

Testimony Against: None.

Testified: Representative Haigh, prime sponsor.
