Hearing Date:

Staff: Amy Hanson (786-7118).

Background:

Under current law, the Secure Community Transition Facility (SCTF) on McNeil Island has a minimum staffing ratio of one staff member to each resident during normal waking hours and two staff members for every three residents during normal sleeping hours while the facility has six or fewer residents.

The legislation authorizing the construction and occupation of the SCTF on McNeil Island required that a law enforcement officer to be on the island 24 hours a day, seven days a week. This requirement is currently being met by Washington State Patrol officers working overtime.

Changes to minimum staffing ratios for SCTFs or to the requirement for 24-hour law enforcement for the SCTF on McNeil Island may be made only by the Legislature.

Summary of Bill:

Minimum staffing ratios at the SCTF on McNeil Island are one staff member to three

residents during normal waking hours and one staff member to four residents during normal sleeping hours subject to a minimum of two staff per housing unit.

The section requiring a 24-hour law enforcement officer to be present on the island is repealed.

Appropriation: None.

Fiscal Note: Available.

Effective Date: The bill contains an emergency clause and takes effect on July 1, 2003.
