1 AN ACT Relating to allowing a student who is a military dependent
2 to maintain residency status if the person on active military duty is
3 reassigned out-of-state; and amending RCW 28B.15.012.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 **Sec. 1.** RCW 28B.15.012 and 2003 c 95 s 1 are each amended to read
6 as follows:

7 Whenever used in chapter 28B.15 RCW:

8 (1) The term "institution" shall mean a public university, college,
9 or community college within the state of Washington.

10 (2) The term "resident student" shall mean:

11 (a) A financially independent student who has had a domicile in the
12 state of Washington for the period of one year immediately prior to the
13 time of commencement of the first day of the semester or quarter for
14 which the student has registered at any institution and has in fact
15 established a bona fide domicile in this state primarily for purposes
16 other than educational;

17 (b) A dependent student, if one or both of the student's parents or
18 legal guardians have maintained a bona fide domicile in the state of

1 Washington for at least one year immediately prior to commencement of
2 the semester or quarter for which the student has registered at any
3 institution;

4 (c) A student classified as a resident based upon domicile by an
5 institution on or before May 31, 1982, who was enrolled at a state
6 institution during any term of the 1982-1983 academic year, so long as
7 such student's enrollment (excepting summer sessions) at an institution
8 in this state is continuous;

9 (d) Any student who has spent at least seventy-five percent of both
10 his or her junior and senior years in high schools in this state, whose
11 parents or legal guardians have been domiciled in the state for a
12 period of at least one year within the five-year period before the
13 student graduates from high school, and who enrolls in a public
14 institution of higher education within six months of leaving high
15 school, for as long as the student remains continuously enrolled for
16 three quarters or two semesters in any calendar year;

17 (e) Any person who has completed the full senior year of high
18 school and obtained a high school diploma, both at a Washington public
19 high school or private high school approved under chapter 28A.195 RCW,
20 or a person who has received the equivalent of a diploma; who has lived
21 in Washington for at least three years immediately prior to receiving
22 the diploma or its equivalent; who has continuously lived in the state
23 of Washington after receiving the diploma or its equivalent and until
24 such time as the individual is admitted to an institution of higher
25 education under subsection (1) of this section; and who provides to the
26 institution an affidavit indicating that the individual will file an
27 application to become a permanent resident at the earliest opportunity
28 the individual is eligible to do so and a willingness to engage in any
29 other activities necessary to acquire citizenship, including but not
30 limited to citizenship or civics review courses;

31 (f) A student who is on active military duty stationed in the state
32 or who is a member of the Washington national guard;

33 (g) A student who is the spouse or a dependent of a person who is
34 on active military duty stationed in the state. If the person on
35 active military duty is reassigned out-of-state, the student maintains
36 the status as a resident student so long as the student is continuously
37 enrolled in a degree program;

1 (h) A student who resides in the state of Washington and is the
2 spouse or a dependent of a person who is a member of the Washington
3 national guard;

4 (i) A student of an out-of-state institution of higher education
5 who is attending a Washington state institution of higher education
6 pursuant to a home tuition agreement as described in RCW 28B.15.725; or

7 (j) A student who meets the requirements of RCW 28B.15.0131:
8 PROVIDED, That a nonresident student enrolled for more than six hours
9 per semester or quarter shall be considered as attending for primarily
10 educational purposes, and for tuition and fee paying purposes only such
11 period of enrollment shall not be counted toward the establishment of
12 a bona fide domicile of one year in this state unless such student
13 proves that the student has in fact established a bona fide domicile in
14 this state primarily for purposes other than educational.

15 (3) The term "nonresident student" shall mean any student who does
16 not qualify as a "resident student" under the provisions of RCW
17 28B.15.012 and 28B.15.013. Except for students qualifying under
18 subsection (2)(e) or (i) of this section, a nonresident student shall
19 include:

20 (a) A student attending an institution with the aid of financial
21 assistance provided by another state or governmental unit or agency
22 thereof, such nonresidency continuing for one year after the completion
23 of such semester or quarter.

24 (b) A person who is not a citizen of the United States of America
25 who does not have permanent or temporary resident status or does not
26 hold "Refugee-Parolee" or "Conditional Entrant" status with the United
27 States immigration and naturalization service or is not otherwise
28 permanently residing in the United States under color of law and who
29 does not also meet and comply with all the applicable requirements in
30 RCW 28B.15.012 and 28B.15.013.

31 (4) The term "domicile" shall denote a person's true, fixed and
32 permanent home and place of habitation. It is the place where the
33 student intends to remain, and to which the student expects to return
34 when the student leaves without intending to establish a new domicile
35 elsewhere. The burden of proof that a student, parent or guardian has
36 established a domicile in the state of Washington primarily for
37 purposes other than educational lies with the student.

1 (5) The term "dependent" shall mean a person who is not financially
2 independent. Factors to be considered in determining whether a person
3 is financially independent shall be set forth in rules and regulations
4 adopted by the higher education coordinating board and shall include,
5 but not be limited to, the state and federal income tax returns of the
6 person and/or the student's parents or legal guardian filed for the
7 calendar year prior to the year in which application is made and such
8 other evidence as the board may require.
