24 **Sec. 2.** RCW 77.65.510 and 2002 c 301 s 2 are each amended to read  
25 as follows:

26 (1) The department must establish and administer a direct retail  
27 endorsement to serve as a single license that permits the holder of a  
28 Washington (~~salmon or crab commercial fishing~~) license to  
29 commercially harvest retail-eligible species and to clean, dress, and  
30 sell his or her catch directly to consumers at retail, including over  
31 the internet. The direct retail endorsement must be issued as an  
32 optional addition to all holders of a (~~salmon or crab~~) commercial  
33 fishing license for retail-eligible species that the department offers  
34 under this chapter.

35 (2) The direct retail endorsement must be offered at the time of  
36 application for the qualifying commercial fishing license. Individuals  
37 in possession of a qualifying commercial fishing license issued under

1 this chapter may add a direct retail endorsement to their current  
2 license at ~~((the))~~ any time ~~((they renew their commercial fishing~~  
3 ~~license))~~. Individuals who do not have a commercial fishing license  
4 for ~~((salmon or crab))~~ retail-eligible species issued under this  
5 chapter may not receive a direct retail endorsement. The costs,  
6 conditions, responsibilities, and privileges associated with the  
7 endorsed commercial fishing license is not affected or altered in any  
8 way by the addition of a direct retail endorsement. These costs  
9 include the base cost of the license and any revenue and excise taxes.

10 (3) An individual need only add one direct retail endorsement to  
11 his or her license portfolio. If a direct retail endorsement is  
12 selected by an individual holding more than one commercial fishing  
13 license issued under this chapter, a single direct retail endorsement  
14 is considered to be added to all qualifying commercial fishing licenses  
15 held by that individual, and is the only license required for the  
16 individual to sell at retail ~~((the harvest of salmon or crab))~~ any  
17 retail-eligible species permitted by all of the underlying endorsed  
18 licenses. The direct retail endorsement applies only to the person  
19 named on the endorsed license, and may not be used by an alternate  
20 operator named on the endorsed license.

21 (4) In addition to any fees charged for the endorsed licenses and  
22 harvest documentation as required by this chapter or the rules of the  
23 department, the department may set a reasonable annual fee not to  
24 exceed the administrative costs to the department for a direct retail  
25 endorsement.

26 (5) The holder of a direct retail endorsement is responsible for  
27 documenting the commercial harvest of salmon and crab according to the  
28 provisions of this chapter, the rules of the department for a wholesale  
29 fish dealer, and the reporting requirements of the endorsed license.  
30 Any ~~((salmon or crab))~~ retail-eligible species caught by the holder of  
31 a direct retail endorsement must be ~~((landed in the round and))~~  
32 documented on fish tickets~~((, as provided for by the department, before~~  
33 ~~further processing))~~.

34 (6) The direct retail endorsement must be displayed in a readily  
35 visible manner by the seller wherever and whenever a sale to someone  
36 other than a licensed wholesale dealer occurs. The commission may  
37 require that the holder of a direct retail endorsement notify the  
38 department up to eighteen hours before conducting an in-person sale of

1 retail-eligible species, except for in-person sales that have a  
2 cumulative retail sales value of less than one hundred fifty dollars in  
3 a twenty-four hour period that are sold directly from the vessel. For  
4 sales occurring in a venue other than in person, such as over the  
5 internet, through a catalog, or on the phone, the direct retail  
6 endorsement number of the seller must be provided to the buyer both at  
7 the time of sale and the time of delivery. All internet sales must be  
8 conducted in accordance with federal laws and regulations.

9 (7) The direct retail endorsement is to be held by a natural person  
10 and is not transferrable or assignable. If the endorsed license is  
11 transferred, the direct retail endorsement immediately becomes void,  
12 and the transferor is not eligible for a full or prorated reimbursement  
13 of the annual fee paid for the direct retail endorsement. Upon  
14 becoming void, the holder of a direct retail endorsement must surrender  
15 the physical endorsement to the department.

16 (8) The holder of a direct retail endorsement must abide by the  
17 provisions of Title 69 RCW as they apply to the processing and retail  
18 sale of seafood. The department must distribute a pamphlet, provided  
19 by the department of agriculture, with the direct retail endorsement  
20 generally describing the labeling requirements set forth in chapter  
21 69.04 RCW as they apply to seafood.

22 (9) The holder of a qualifying commercial fishing license issued  
23 under this chapter must either possess a direct retail endorsement or  
24 a wholesale dealer license provided for in RCW 77.65.280 in order to  
25 lawfully sell their catch or harvest in the state to anyone other than  
26 a licensed wholesale dealer.

27 (10) The direct retail endorsement entitles the holder to sell  
28 (~~(wild caught salmon or crab)~~) a retail-eligible species only at a  
29 temporary food service establishment as that term is defined in RCW  
30 69.06.045, or directly to a restaurant or other similar food service  
31 business.

32 **Sec. 3.** RCW 77.65.515 and 2002 c 301 s 3 are each amended to read  
33 as follows:

34 (1) Prior to being issued a direct retail endorsement, an  
35 individual must:

36 (a) Obtain and submit to the department a signed letter on  
37 appropriate letterhead from the health department of the county in

1 which the individual makes his or her official residence or where the  
2 hailing port for any documented vessel owned by the individual is  
3 located as to the fulfillment of all requirements related to county  
4 health rules, including the payment of all required fees. The local  
5 health department generating the letter may charge a reasonable fee for  
6 any necessary inspections. The letter must certify that the methods  
7 used by the individual to transport, store, and display any fresh  
8 (~~salmon and crabs~~) retail-eligible species meets that county's  
9 standards and the statewide standards adopted by the board of health  
10 for food service operations; and

11 (b) Submit proof to the department that the individual making the  
12 direct retail sales is in possession of a valid food and beverage  
13 service worker's permit, as provided for in chapter 69.06 RCW.

14 (2) The requirements of subsection (1) of this section must be  
15 completed each license year before a renewal direct retail endorsement  
16 can be issued.

17 (3) Any individual possessing a direct retail endorsement must  
18 notify the local health department of the county in which retail sales  
19 are to occur, except for the county that conducted the initial  
20 inspection, forty-eight hours before any transaction and make his or  
21 her facilities available for inspection by a fish and wildlife officer,  
22 the local health department of any county in which he or she sells  
23 (~~salmon or crab~~) any legally harvested retail-eligible species, and  
24 any designee of the department of health or the department of  
25 agriculture.

26 (4) Neither the department or a local health department may be held  
27 liable in any judicial proceeding alleging that consumption of or  
28 exposure to seafood sold by the holder of a direct retail endorsement  
29 resulted in a negative health consequence, as long as the department  
30 can show that the individual holding the direct retail endorsement  
31 complied with the requirements of subsection (1) of this section prior  
32 to being issued his or her direct retail license, and neither the  
33 department nor a local health department acted in a reckless manner.  
34 For the purposes of this subsection, the department or a local health  
35 district shall not be deemed to be acting recklessly for not conducting  
36 a permissive inspection.

1       **Sec. 4.** RCW 77.65.520 and 2002 c 301 s 4 are each amended to read  
2 as follows:

3       (1) The direct retail endorsement is conditioned upon compliance:

4       (a) With the requirements of this chapter as they apply to  
5 wholesale fish dealers and to the rules of the department relating to  
6 the payment of fines for violations of rules for the accounting of the  
7 commercial harvest of (~~salmon or crabs~~) retail eligible species; and

8       (b) With the state board of health and local rules for food service  
9 establishments.

10       (2) Violations of the requirements and rules referenced in  
11 subsection (1) of this section may result in the suspension of the  
12 direct retail endorsement. The suspended individual must not be  
13 reimbursed for any portion of the suspended endorsement. Suspension of  
14 the direct retail endorsement may not occur unless and until:

15       (a) The director has notified by order the holder of the direct  
16 retail endorsement when a violation of subsection (1) of this section  
17 has occurred. The notification must specify the type of violation, the  
18 liability to be imposed for damages caused by the violation, a notice  
19 that the amount of liability is due and payable by the holder of the  
20 direct retail endorsement, and an explanation of the options available  
21 to satisfy the liability; and

22       (b) The holder of the direct retail endorsement has had at least  
23 ninety days after the notification provided in (a) of this subsection  
24 was received to either make full payment for all liabilities owed or  
25 enter into an agreement with the department to pay off all liabilities  
26 within a reasonable time.

27       (3)(a) If, within ninety days after receipt of the order provided  
28 in subsection (2)(a) of this section, the amount specified in the order  
29 is not paid or the holder of the direct retail endorsement has not  
30 entered into an agreement with the department to pay off all  
31 liabilities, the prosecuting attorney for any county in which the  
32 persons to whom the order is directed do business, or the attorney  
33 general upon request of the department, may bring an action on behalf  
34 of the state in the superior court for Thurston county, or any county  
35 in which the persons to whom the order is directed do business, to seek  
36 suspension of the individual's direct retail endorsement for up to five  
37 years.

1 (b) The department may temporarily suspend the privileges provided  
2 by the direct retail endorsement for up to one hundred twenty days  
3 following the receipt of the order provided in subsection (2)(a) of  
4 this section, unless the holder of the direct retail endorsement has  
5 deposited with the department an acceptable performance bond on forms  
6 prescribed and provided by the department. This performance bond must  
7 be a corporate surety bond executed in favor of the department by a  
8 corporation authorized to do business in the state of Washington under  
9 chapter 48.28 RCW and approved by the department. The bond must be  
10 filed and maintained in an amount equal to one thousand dollars.

11 (4) For violations of state board of health and local rules under  
12 subsection (1)(b) of this section only, any person inspecting the  
13 facilities of a direct retail endorsement holder under RCW 77.65.515  
14 may suspend the privileges granted by the endorsement for up to seven  
15 days. Within twenty-four hours of the discovery of the violation, the  
16 inspecting entity must notify the department of the violation. Upon  
17 notification, the department may proceed with the procedures outlined  
18 in this section for suspension of the endorsement. If the violation of  
19 a state board of health rule is discovered by a local health  
20 department, that local jurisdiction may fine the holder of the direct  
21 retail endorsement according to the local jurisdiction's rules as they  
22 apply to retail food operations.

23 (5) Subsections (2) and (3) of this section do not apply to a  
24 holder of a direct retail endorsement that executes a surety bond and  
25 abides by the conditions established in RCW 77.65.320 and 77.65.330 as  
26 they apply to wholesale dealers.

27 **Sec. 5.** RCW 36.71.090 and 2002 c 301 s 9 are each amended to read  
28 as follows:

29 (1) It shall be lawful for any farmer, gardener, or other person,  
30 without license, to sell, deliver, or peddle any fruits, vegetables,  
31 berries, eggs, or any farm produce or edibles raised, gathered,  
32 produced, or manufactured by such person and no city or town shall pass  
33 or enforce any ordinance prohibiting the sale by or requiring license  
34 from the producers and manufacturers of farm produce and edibles as  
35 ((herein)) defined(~~(:—PROVIDED, That)~~) in this section. However,  
36 nothing ((herein)) in this section authorizes any person to sell,  
37 deliver, or peddle, without license, in any city or town, any dairy

1 product, meat, poultry, eel, fish, mollusk, or shellfish where a  
2 license is required to engage legally in such activity in such city or  
3 town.

4 (2) It is lawful for an individual in possession of a valid direct  
5 retail endorsement, as established in RCW 77.65.510, to sell, deliver,  
6 or peddle (~~(wild-caught salmon or crab)~~) any legally harvested retail-  
7 eligible species, as that term is defined in RCW 77.08.010, that is  
8 caught, harvested, or collected under rule of the department of fish  
9 and wildlife by such a person at a temporary food service  
10 establishment, as that term is defined in RCW 69.06.045, and no city,  
11 town, or county may pass or enforce an ordinance prohibiting the sale  
12 by or requiring additional licenses or permits from the holder of the  
13 valid direct retail endorsement. However, this subsection does not  
14 prohibit a city, town, or county from inspecting an individual  
15 displaying a direct retail endorsement to verify that the person is in  
16 compliance with state board of health and local rules for food service  
17 operations.

18 **\*Sec. 6. RCW 82.27.020 and 2001 c 320 s 9 are each amended to read**

29 (2) **A person in possession of enhanced food fish and liable to this**  
30 **tax may deduct from the price paid to the person from which the**

*\*Sec. 6 was vetoed. See message at end of chapter.*

Passed by the House April 21, 2003.

Passed by the Senate April 11, 2003.

Approved by the Governor May 20, 2003, with the exception of  
certain items that were vetoed.

Filed in Office of Secretary of State May 20, 2003.

Note: Governor's explanation of partial veto is as follows:

"I am returning herewith, without my approval as to section 6,  
Substitute House Bill No. 1127 entitled:

"AN ACT Relating to the selling of commercially harvested fish;"

This bill expands the scope of the direct retail endorsement. The  
endorsement is an optional add-on to a commercial fishing license  
that allows the holder to sell salmon, crab, and sturgeon directly  
into the retail market.

Section 6 would have changed the tax base for the enhanced food fish  
tax from "value" to "comparable sales price for similar species of  
fish." This new tax base would be applicable to all food fish, not  
just to food fish sold pursuant to the direct retail endorsement.  
The new tax base is undefined and would deprive taxpayers of  
certainty. Its administration would be burdensome and complicated  
for both the industry and the Department of Revenue.

I am directing the Department of Revenue to work with the concerned  
parties to resolve issues surrounding the tax base of food fish sold  
pursuant to a direct retail endorsement. This should involve  
education on the current application of the tax, as well as  
development of potential legislation that would address direct retail  
endorsement sales only.

For these reasons, I have vetoed section 6 of Substitute House Bill  
No. 1127.

With the exception of section 6, Substitute House Bill No. 1127 is  
approved."
