12 Under Oregon policy, students who are Washington residents may enroll
13 at Portland State University for eight credits or less and pay the same
14 tuition as Oregon residents. Further, the state of Oregon passed
15 legislation in 1997 to begin providing to its community colleges the
16 same level of state funding for students residing in bordering states
17 as students residing in Oregon.

18 (2) The legislature intends to build on the recent Oregon

2 creating a ((pilot)) project on resident tuition rates in Washington
3 counties that border Oregon state.

5 as follows:

6 (1) The border county higher education opportunity ((pilot))
7 project is created. The purpose of the ((pilot)) project is to allow
8 Washington institutions of higher education that are located in
9 counties on the Oregon border to implement tuition policies that
10 correspond to Oregon policies. Under the border county ((pilot))
11 project, Columbia Basin Community College, Clark College, Lower
12 Columbia Community College, Grays Harbor Community College, and Walla
13 Walla Community College may enroll students who reside in the bordering

15 Clackamas, Morrow, Sherman, Umatilla, Union, Wallowa, Wasco, and
16 Washington at resident tuition rates. The Tri-Cities and Vancouver
17 branches of Washington State University may enroll students who reside

28 opportunity ((pilot)) project.

30 and appropriate committees of the legislature on the results of the
31 pilot project. For each participating Washington institution of higher
32 education, the report shall analyze, by program, the impact of the
33 pilot project on: Enrollment levels, distribution of students by
34 residency, and enrollment capacity. The report shall also include a
35 recommendation on the extent to which border county tuition policies
