HOUSE BILL 2183

AS AMENDED BY THE SENATE

Passed Legislature - 2003 Regular Session

State of Washington 58th Legislature 2003 Regular Session

By Representatives Ericksen and Romero

Read first time 03/03/2003. Referred to Committee on Local Government.

1 AN ACT Relating to the amount allowed for unbid sewer and water
2 projects; and amending RCW 57.08.050.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 **Sec. 1.** RCW 57.08.050 and 2000 c 138 s 212 are each amended to
5 read as follows:

6 (1) All work ordered, the estimated cost of which is in excess of
7 ((five)) ten thousand dollars, shall be let by contract and competitive
8 bidding. Before awarding any such contract the board of commissioners
9 shall publish a notice in a newspaper of general circulation where the
10 district is located at least once thirteen days before the last date
11 upon which bids will be received, inviting sealed proposals for such
12 work, plans and specifications which must at the time of publication of
13 such notice be on file in the office of the board of commissioners
14 subject to the public inspection. The notice shall state generally the
15 work to be done and shall call for proposals for doing the same to be
16 sealed and filed with the board of commissioners on or before the day
17 and hour named therein.

18 Each bid shall be accompanied by a certified or cashier's check or
19 postal money order payable to the order of the county treasurer for a

1 sum not less than five percent of the amount of the bid, or accompanied
2 by a bid bond in an amount not less than five percent of the bid with
3 a corporate surety licensed to do business in the state, conditioned
4 that the bidder will pay the district as liquidated damages the amount
5 specified in the bond, unless the bidder enters into a contract in
6 accordance with the bidder's bid, and no bid shall be considered unless
7 accompanied by such check, cash or bid bond. At the time and place
8 named such bids shall be publicly opened and read and the board of
9 commissioners shall proceed to canvass the bids and may let such
10 contract to the lowest responsible bidder upon plans and specifications
11 on file or to the best bidder submitting the bidder's own plans and
12 specifications. The board of commissioners may reject all bids for
13 good cause and readvertise and in such case all checks, cash or bid
14 bonds shall be returned to the bidders. If the contract is let, then
15 all checks, cash, or bid bonds shall be returned to the bidders, except
16 that of the successful bidder, which shall be retained until a contract
17 shall be entered into for doing the work, and a bond to perform such
18 work furnished with sureties satisfactory to the board of commissioners
19 in the full amount of the contract price between the bidder and the
20 commission in accordance with the bid. If the bidder fails to enter
21 into the contract in accordance with the bid and furnish the bond
22 within ten days from the date at which the bidder is notified that the
23 bidder is the successful bidder, the check, cash, or bid bonds and the
24 amount thereof shall be forfeited to the district. If the bidder fails
25 to enter into a contract in accordance with the bidder's bid, and the
26 board of commissioners deems it necessary to take legal action to
27 collect on any bid bond required by this section, then the district
28 shall be entitled to collect from the bidder any legal expenses,
29 including reasonable attorneys' fees occasioned thereby. A low bidder
30 who claims error and fails to enter into a contract is prohibited from
31 bidding on the same project if a second or subsequent call for bids is
32 made for the project.

33 (2) As an alternative to requirements under subsection (1) of this
34 section, a water-sewer district may let contracts using the small works
35 roster process under RCW 39.04.155.

36 (3) Any purchase of materials, supplies, or equipment, with an
37 estimated cost in excess of ten thousand dollars, shall be by contract.
38 Any purchase of materials, supplies, or equipment, with an estimated

1 cost of less than fifty thousand dollars shall be made using the
2 process provided in RCW 39.04.190. Any purchase of materials,
3 supplies, or equipment with an estimated cost of fifty thousand dollars
4 or more shall be made by competitive bidding following the procedure
5 for letting contracts for projects under subsection (1) of this
6 section.

7 (4) The board may waive the competitive bidding requirements of
8 this section pursuant to RCW 39.04.280 if an exemption contained within
9 that section applies to the purchase or public work.

Passed by the House April 21, 2003.

Passed by the Senate April 11, 2003.

Approved by the Governor May 7, 2003.

Filed in Office of Secretary of State May 7, 2003.
