

1377-S

Sponsor(s): House Committee on Transportation (originally sponsored by Representatives Alexander, Murray, Ericksen and Romero)

Brief Description: Staggering vessel registration.

HB 1377-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Provides that each registration year may be divided into twelve registration months. Each registration month commences on the day numerically corresponding to the day of the calendar month on which the registration year begins, and terminates on the numerically corresponding day of the next succeeding calendar month.

Provides that the implementation of this act must be accomplished within existing resources of the department and shall not require additional appropriation.
