Brief Description: Providing health benefits for certificated instructional staff.

HB 1595 - DIGEST

Provides that districts that grant insurance benefits to certificated instructional staff at or in excess of the per unit insurance benefit in the 2001-03 supplemental appropriations act may not increase the per unit insurance benefit granted to certificated instructional staff beyond the increase in future state appropriated health benefit per unit allocations.

Provides that the terms of any contract in force on the effective date of this act that provide insurance benefits in excess of the limits under this act continue in effect until the contract expiration date as it exists on the effective date of this act.
