Brief Description: Allocating money to cities and towns that provide services for state hospitals.

HB 1607 - DIGEST

Directs the secretary of social and health services to reimburse any city or town in which there is located a state hospital for the costs of providing any law enforcement, prosecutorial, judicial, and judicial facilities for criminal activities related to the state hospital. Reimbursement shall be based in part on the costs for providing daily twenty-four-hour law enforcement coverage for the hospital.
