

1642-S

Sponsor(s): House Committee on Judiciary (originally sponsored by Representatives Morrell, Pflug, Cody, Benson, Schual-Berke, Alexander, Clibborn, Edwards, Moeller and Kenney)

Brief Description: Modifying medical information exchange and disclosure provisions.

HB 1642-S - DIGEST

(AS OF HOUSE 2ND READING 3/18/03)

Provides that a coordinated quality improvement program maintained in accordance with RCW 43.70.510 or 70.41.200 may share information and documents, including complaints and incident reports, created specifically for, and collected and maintained by a coordinated quality improvement committee or committees or boards under this act, with one or more other coordinated quality improvement programs for the improvement of the quality of health care services rendered to patients and the identification and prevention of medical malpractice.

Provides that information and documents disclosed by one coordinated quality improvement program to another coordinated quality improvement program and any information and documents created or maintained as a result of the sharing of information and documents shall not be subject to the discovery process and confidentiality shall be respected as required by this act and by RCW 43.70.510(4) and 70.41.200(3).
