Brief Description: Clarifying the work study aspect of "work activity" under the TANF program.

HB 2041 - DIGEST

(AS _____ OF HOUSE 2ND READING 3/17/03)

Declares that "work activity" means employment through the state or federal work-study program and the accompanying education program for a period not to exceed twenty-four months. Students who work the maximum state or federal work-study offered to them by their educational institution while attending the accompanying education program shall be considered full-time WorkFirst participants.
