Brief Description: Revising provisions relating to storm water rates and charges.

HB 2088 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Provides that the rate a city or town may charge under this act shall be reduced by a minimum of ten percent for any new or remodeled commercial building that utilizes the permissive rainwater harvesting system guidelines for nonresidential occupancies adopted by the Washington state building code council on July 12, 2002.

Provides that no rate or charge imposed under this act may increase in any fiscal year by a percentage in excess of the fiscal growth factor for that fiscal year as determined under chapter 43.135 RCW.
