Brief Description: Regulating motorsports vehicle dealer franchises.

HB 2096 - DIGEST

Finds and declares that the distribution and sale of motorsports vehicles in this state vitally affect the general economy of the state and the public interest and public welfare, that provision for warranty service to motorsports vehicles is of substantial concern to the people of this state, that the maintenance of fair competition among dealers and others is in the public interest, and that the maintenance of strong and sound dealerships is essential to provide continuing and necessary reliable services to the consuming public in this state and to provide stable employment to the citizens of this state.

Finds that there is a substantial disparity in bargaining power between motorsports vehicle manufacturers and their dealers, and that in order to promote the public interest and the public welfare, and in the exercise of its police power, it is necessary to regulate the relationship between motorsports vehicle dealers and motorsports vehicle manufacturers, importers, distributors, and their representatives doing business in this state, not only for the protection of dealers but also for the benefit for the public in assuring the continued availability and servicing of motorsports vehicles sold to the public.

Repeals provisions in chapter 46.94 RCW.
