Brief Description: Extending the motor vehicle width limit for recreational vehicle appurtenances.

HB 2458-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Provides that campers, motor homes, and travel trailers may exceed the maximum width established by RCW 46.44.010 if the excess width is attributable to an appurtenance that extends no more than six inches beyond the body of the vehicle and is affixed to the side of the vehicle at such a height that it does not impair the ability of the driver to see to the rear of the vehicle. For purposes of this provision, the term "appurtenance" is limited to awnings and support hardware.
