Brief Description: Adding license suspension for driving under the influence for purposes of vehicular homicide.

HB 2467 - DIGEST

Amends RCW 46.61.520 to provide that when the death of any person ensues within three years as a proximate result of injury proximately caused by the driving of any vehicle by any person, the driver is guilty of vehicular homicide if the driver was operating a motor vehicle while his or her license was suspended for any violation of RCW 46.61.502.
