Brief Description: Solid fuel burning devices Revised for 1st

Substitute: Concerning burn bans for solid fuel burning devices.

HB 2479 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Establishes pm 2.5 burn ban triggers and enforcement.

Provides that, for the purpose of enforcement on a complaint basis, it is unlawful for emissions, other than uncombined water vapor, from a solid fuel burning device to visibly enter a neighboring property.
