

2850-S

Sponsor(s): House Committee on Health Care (originally sponsored by Representatives Morrell, Benson, Darneille, Campbell and Bush; by request of Department of Health)

Brief Description: Eliminating credentialing barriers for health professions.

HB 2850-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Finds that the health care work force shortage is contributing to the health care crisis.

Finds that some unnecessary barriers exist that slow or prevent qualified applicants from becoming credentialed health care providers.

Finds that eliminating these initial barriers to licensure will contribute to state initiatives directed toward easing the health care personnel shortage in Washington.
