Brief Description: Providing for withdrawal from and addition to a public utility district. Revised for 1st Substitute: Modifying public utility district provisions.

HB 2891 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Provides that any voting precinct located within a county that has a federal nuclear reservation within its boundaries is: (1) Withdrawn from a public utility district if the precinct receives at least one electric distribution, water, or sewer service from a city, and no electric distribution, water, or sewer service from a public utility district; or

(2) Included in a public utility district if any portion of the precinct receives at least one electric distribution, water, or sewer service from the public utility district.
